

PLANNED PRODUCTION BREAKS - SUMMER 2026

PLANIRANE PROIZVODNE PAUZE – LJETO 2026

During the summer of 2026, Press Glass production facilities are planning scheduled production breaks. Therefore, we kindly ask you to plan your orders and deliveries in advance to ensure continuity of cooperation and avoid potential delays.

The summer production break will take place in all our production plants in a rotating schedule, within the period: **June 29 – August 16, 2026**. Production capacity at the plant in Varaždin will be reduced from **20 July to 16 August 2026**.

Tijekom ljeta 2026. proizvodni pogoni Press Glassa planiraju redovite proizvodne pauze. Stoga vas ljubazno molimo da unaprijed planirate svoje narudžbe i isporuke kako bi se osigurao kontinuitet suradnje i izbjegla moguća kašnjenja.

Ljetna proizvodna pauza odvijat će se u svim našim proizvodnim pogonima prema rotacijskom rasporedu, u razdoblju od **29. lipnja do 16. kolovoza 2026**. Proizvodni kapaciteti u pogonu u Varaždinu bit će smanjeni od **20. srpnja do 16. kolovoza 2026**.
